Designing Wellness Since 1873

For more than 150 years, Kohler has created room for life's most cherished routines. That same energy continues to drive us to design products only Kohler can make—products that transform everyday spaces into world-class wellness sanctuaries.

The Kohler Difference

Enduring Design

Timeless and versatile, our wellness products are built to work together, creating a cohesive design aesthetic.

Bold Innovation

We pursue wellness innovation with purpose, enhancing every detail so the experiences feel intuitive and immersive.

Lasting Quality

Built for lasting performance, KOHLER® products reflect generations of material mastery and refined craftsmanship.

Make Space to Relax, Reset, and Recover

Wellness is most powerful when it's built seamlessly into daily life. By creating dedicated environments for restoration, relaxation, and recovery, you can transform tired routines into lively rituals—creating the time and space to enhance health and well-being.

THE WELLNESS PATH

Create world-class wellness sanctuaries that harness the power of heat, cold, water, and contrast therapy—and experience benefits that last a lifetime.

KOHLER

Elements of World-Class Wellness

Steam

Transform the daily shower into a restorative wellness ritual or create entire spaces dedicated to steam. KOHLER® Invigoration® Series steam generators deliver fast and consistent steam to support relaxation, recovery, respiration, and skin health.

Saunas

Add the restorative power of heat to thoughtfully designed indoor and outdoor spaces. Rooted in ancient tradition and refined through modern engineering, KOHLER saunas support relaxation, recovery, and mindful restoration.

Ice Bath

Elevate cold-water therapy with optimized ergonomics, precise temperature control, advanced filtration, integrated timer, and breathwork light—creating indoor and outdoor wellness rituals that build resilience and support recovery.

Hydrotherapy Baths

Harness the restorative power of water and massage to support full-body wellness. Engineered for relaxation, recovery, and stress relief, KOHLER® hydrotherapy baths combine targeted pressure with refined design.

Hydration

The Aquifer® 4-in-1 beverage system delivers a comprehensive hydration solution with filtered ambient, chilled, sparkling, and near-boiling water—supporting daily wellness routines through effortless choice and convenience.

KOHLER WELLNESS

Steam Rooms & Showers

THE BENEFITS OF STEAM

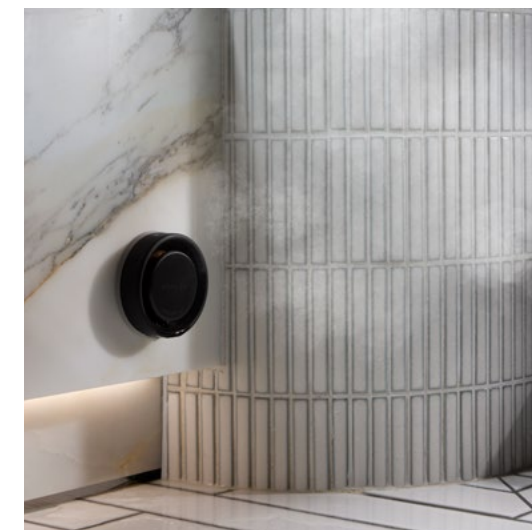

Explore the fastest route to relaxation and create spaces that generate invigorating steam in just 60 seconds—helping to open airways, cleanse the skin, and release stress.

KOHLER.

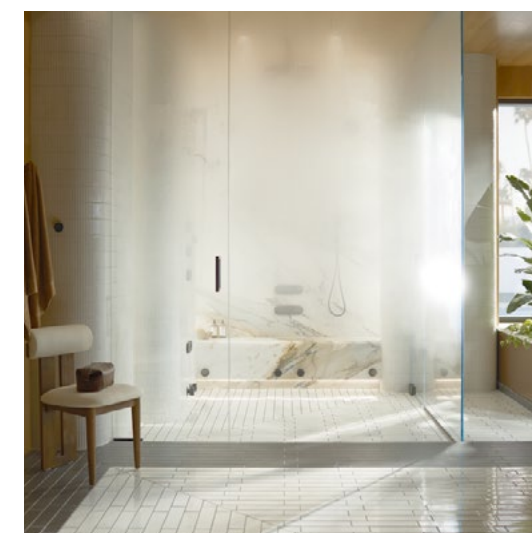

The Quiet Power of KOHLER® Steam

Invigoration® Series steam generators are designed to deliver a spa-like experience, providing reliable and efficient performance for steam showers and steam rooms alike.

Fast-Response® Technology

Create luxurious steam in just 60 seconds, and experience elevated wellness on demand with the simple touch of a button.

Consistent Steam Output

The Constant Steam feature produces steam at a consistent rate, which minimizes temperature fluctuations while maximizing relaxation.

Power Clean™ Technology

Experience automatic cleaning and safe maintenance, designed to enhance freshness while minimizing downtime.

Generate the Best Experience

Find the right steam generator for your project, and follow these simple steps to create a world-class steam room or shower.

- 1

Measure

Carefully measure the width, length, and height of the steam room or shower space.
- 2

Calculate

Multiply the width, length, and height to determine the total cubic footage (cu ft).
- 3

Select

Based on the cubic footage, select the correct generator and pair with required components.
- 4

Prepare

Prepare the steam space for installation according to the technical specifications.

Boundless Opportunity

There is no fixed footprint for wellness. From dedicated rooms to unexpected corners, wellness spaces belong wherever inspiration leads. With thoughtful design and versatile solutions, you can create environments that reflect any lifestyle—transforming spaces into personalized retreats of restoration.

KOHLER WELLNESS

Ice Bath

THE BENEFITS OF ICE BATHING

Embrace the new cold standard for immersion rituals and create wellness spaces that deliver world-class contrast therapy, increased resiliency, and enhanced recovery.

KOHLER.

The Ice Bath by Kohler x Remedy Place

With elevated design and state-of-the-art technology, the Ice Bath by Kohler x Remedy Place is the most versatile wellness tub in the world.

K-35848-BUM

Experience Wellness at 39°F

Best in Class

With its award-winning design and thoughtful wellness features, the Ice Bath by Kohler x Remedy Place raises the bar for plunging temperatures.

Perfect Timing

The Ice Bath by Kohler x Remedy Place features a built-in timer and precise temperature control—from 39°F to 104°F—so every session is intentional, trackable, and repeatable. By removing the guesswork around time and temperature, it helps establish consistent cold-therapy rituals that support more effective and disciplined wellness practices.

Designed for Cold

All-in-One Design

The fully integrated chiller, built-in bath filler, and optional floor drain allow the ice bath to be installed seamlessly in wellness spaces—indoors and out.

Deep Comfort

Extended depth and length result in a spacious interior, engineered to support an optimal experience for a wide range of body types.

Ergonomic Details

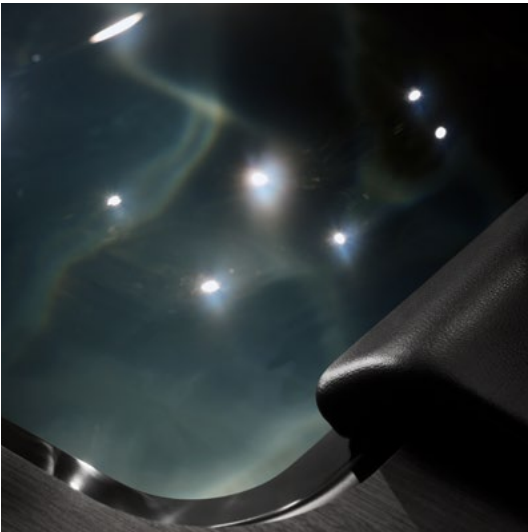

An ergonomic backrest and upright seating add comfort, while an insulated cover with childproof locks provides peace of mind.

Built for Ritual

Guided Breathwork

Integrated timer and breath light aid in session tracking, and a built-in smartphone slot allows for guided coaching sessions.

39°F to 104°F Range

The temperature range creates two wellness baths in one—frigid temps for cold-water rituals and soothing heat for deep relaxation.

Advanced Filtration

A self-cleaning system with an incorporated UV light and a micron filter automatically cleanses the water, creating a fresh experience.

A Timeless Sanctuary, Indoors or Out

A wellness space is defined by balance. Kohler designs saunas and ice baths to work together in contrast therapy rituals that restore the body and sharpen the mind. Engineered for both indoor and outdoor settings, our wellness portfolio makes it possible to create enduring spaces for relaxation, recovery, and renewal—wherever they're desired.

and deep relaxation—
and experience
industry-leading
design and targeted
technology that elevate
the most cherished
bathing rituals.

KOHLER.

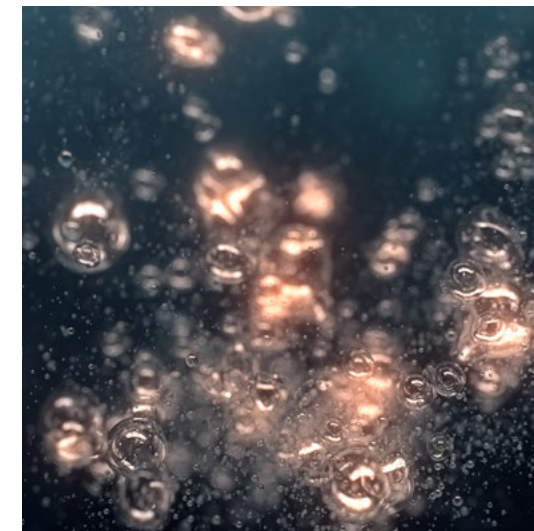

Designed for the Deepest Relaxation

Kohler offers three distinctive hydrotherapy options for the bath, each designed to promote deep relaxation and support muscle recovery through immersive, restorative bathing experiences.

Whirlpool

Powerful massage jets soothe sore muscles and melt away tension for a relaxing, restorative experience.

Heated BubbleMassage™

Warm, humidified air infuses the water to deliver a full-body massage and consistent heat experience.

Effervescence

Tiny, champagne-like bubbles fill the bath, caressing the body in a soft and revitalizing embrace.
